SECTION \_\_\_\_\_. Tennessee Code Annotated, Section 39-15-404, is amended by adding the following language as a new appropriately designated subsection to immediately follow the subsection added by Senate Judiciary Committee Amendment # 1:

( )

(1) In addition to the driver license suspension or revocation required by the preceding subsection, when the court notifies the department of safety that a defendant has been convicted of a violation of this section and the driver license of such defendant is to be suspended or revoked, an existing period of suspension or revocation is to be extended, or that driver privileges have been denied for a specified period of time pursuant to the preceding subsection, the court shall also notify the department of human services of such conviction. The department shall then certify in writing to each licensing authority that licenses the defendant, in the same manner as set out in § 36-5-705, that the defendant has violated the provisions of this section.

(2) Notwithstanding any other law, rule or regulation to the contrary, the certification from the department of human services under subdivision (1) of this subsection shall result in the denial, suspension or revocation of a license issued to such defendant, or the refusal to issue or reinstate a license to such defendant by a licensing authority for the periods of time specified in subdivision (3) of this subsection.

(3)

(A) If it is the defendant's first offense, all such licenses issued to the defendant shall be denied, suspended, revoked, not issued or not reinstated for a period of six (6) months.

(B) If it is the defendant's second offense, all such licenses issued to the defendant shall be denied, suspended, revoked, not issued or not reinstated for a period of one (1) year.
